We hope to go for lunch somewhere afterwards, bringing either a minibus or a number of cars (dependent on numbers). Can anyone who is interested please text Kiera on 07811142916. Guest speaker is Kate Patterson. This is an event for women (of all ages and stages) to come together to explore ways in which we can realise afresh that, in Christ, we are all responsible for sharing the good news of the gospel with others. We will think biblically about how we can be better equipped in knowing the gospel, and how we can

effectively share this good news across generations, and in our communities.
